

# THE STORY TO HIS GLORY

A S H A K E T H E N A T I O N S D E V O T I O N A L

**“But if the Spirit of him that raised up Jesus from the dead dwell in you..”  
Romans 8:11**

We have salvation and redemption through the resurrection of Jesus Christ. Every Christian believes and receives the promise of salvation, but sadly, most aren't operating in the fullness of the resurrection power available to every one of us. Resurrection power doesn't come from heaven. It's in you right now. The power of Jesus' resurrection that you have received from Him abides in you now—and when you activate it, it removes burdens and destroys yokes. **The resurrection power of God is the most powerful force in the universe—yet it has no power in your life until you activate it.**

I believe that's what Paul meant when he wrote to the church of Philippi. Philippians 3:10 states, **"I want to know Christ and experience the mighty power that raised him from the dead."**

## 1. Believe It

- Being born again won't cause resurrection power to automatically operate in your life, you have to choose to believe it. Believing is what activates the power in your life. To access all the benefits, healing, abundance, peace, joy and every good thing, you must put that same belief, and faith into action to receive full use of resurrection power in your life. Every yoke is destroyed under resurrection power and every part of THE BLESSING is released. Believe it!

## 2. Speak It

- When you believe that resurrection power is residing in you, you begin to activate it through your words. You speak faith-filled words to release THE BLESSING. **The power of God is in faith-filled words.** Every time you speak the Name of Jesus... The Name that is above every name ...

## 3. Act on It

- Make no mistake, Satan's defeat was sealed by the Resurrection, but we have to enforce it and act on it. The very same power that raised Jesus from the dead is now living in you (Romans 8:11)! God raised us up together and made us sit together in heavenly places in Christ Jesus. **Satan is defeated. When he tries to bring the curse back into your life—he's trespassing. You have the authority to make him leave. Now act on it!**

Apply the blood of Jesus, God's power, to every situation in your life. When sickness tries to come, apply the blood of Jesus—resurrection power. If lack tries to take up residence in your life, apply the blood—declare the curse is over in your life and that the enemy is defeated. Claim the triumph Jesus won for you on the cross. **Don't ever accept defeat in your life. Jesus paid too high a price for you to accept anything less than total and complete VICTORY.**
